

### Employment Services

Through Job Services Australia MTC Australia assists over 16,000 job seekers each year.

#### Outcome

Total people assisted into employment (minimum 13 weeks): 2,507.  
This included:  
97 Aboriginal and Torres Strait Islanders.  
687 Young People (aged 15-24).  
199 Refugee/Humanitarian.

### Work Release Program

The Work Release Program assists inmates in NSW prisons, with less than three years left of their sentence, to participate in meaningful employment.

#### Outcome

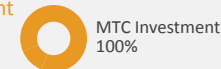

24 pre-release prisoners into employment (minimum 13 weeks).

### Minto Access Point (MAP)

MAP is a community assistance centre based in the Minto Housing Estate. MAP provides free internet access and referral, employment and training assistance. MAP has had significant impact on building social cohesion and increasing opportunity for thousands of residents in the Minto area.

#### Total Investment

\$503,254

#### Outcome

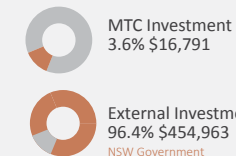

MAP has almost 4,000 members and assists an average of 60 members per day to access education, employment and services.

### Links to Learning

Links to Learning assists young people aged 12-24 experiencing multiple barriers to participating in mainstream education, to remain in or return to education or training in order to complete year 12 or its vocational equivalent.

#### Total Investment

\$471,754

#### Outcome

219 at-risk young people assisted to remain in school and/or complete accredited training through our alternative learning centre.

### New Enterprise Incentive Scheme (NEIS)

NEIS is a self-employment program, that assists eligible job seekers to become self-supporting and independent from unemployment benefits, through the establishment and running of their own business.

#### Outcome

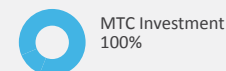

200 NEIS participants received professional business mentoring.  
198 NEIS participants successfully completed Certificate III in Micro Business.  
188 NEIS participants established a small business.

### Old Guilford Public School 'Family Literacy Program'

The Family Literacy Program provides language and literacy support to parents of students from non-English speaking backgrounds to provide a holistic approach to tackling literacy issues.

#### Total Investment

\$5,040

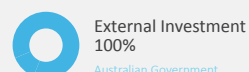

#### Outcome

12 families assisted with 25% continuing into formal education.

### Skills for Education and Employment (SEE)

SEE helps eligible job seekers to develop speaking, reading, writing and basic maths skills to improve their chances of getting and keeping a job.

#### Outcome

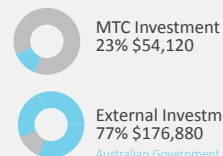

3,311 students improved their language, literacy and numeracy skills against the Australian Core Skills Framework.

### Youth UNLIMITED

Youth UNLIMITED assists Early School Leavers to improve their language, numeracy, literacy and employability skills through activities contextualised to their interest areas.

#### Total Investment

\$231,000

#### Outcome

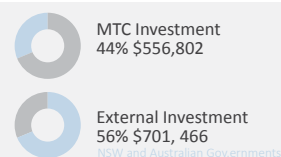

24 disadvantaged young people (aged 15-24) measurably improved their language, literacy, numeracy and employability skills.

### Warakirri College

Warakirri College is an independent high school run by MTC Australia to provide opportunities for disadvantaged young people to undertake Years 10 -12.

#### Total Investment

\$1,258,268

#### Outcome

In 2013, 52 young people successfully completed their studies. It is expected that 84 will complete in 2014.

# MTC Australia's SOCIAL IMPACT MAP

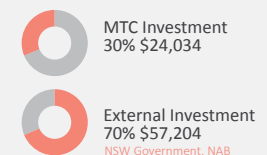

In 2013/14 we invested over \$1,000,000 towards disadvantaged young people and communities to access services, education and employment.

### No Interest Loans Scheme (NILS)

NILS provides families and individuals on low incomes with the opportunity to apply for a loan to purchase energy/water efficient whitegoods, educational equipment and essential household items, without the burden of interest charges or fees.

#### Total Investment

\$481,239

#### Outcome

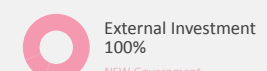

114 loans approved for low income earners.

### Independent Employment Advisory Service (IEAS)

IEAS assisted students in Years 9-12 at-risk of disengaging from school, with school to work planning, mentoring and employment brokerage services. Funding for IEAS across NSW ceased at the end of 2013.

#### Total Investment

\$301,368

#### Outcome

86 young people assisted to remain in school or vocational education.

### Youth Connections

Youth Connections assists young people at-risk of disengaging from school or who have disengaged from school, to finish Year 12 or gain an equivalent qualification.

#### Total Investment

\$3,890,309

#### Outcome

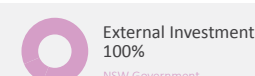

1,085 young people assisted to remain in school or participate in vocational education and/or employment.

### Opportunity Hub

The Opportunity Hub provides Aboriginal young people in Years 5-12 with the confidence and knowledge to follow a supported pathway between secondary school and further education and/or employment.

#### Total Investment

\$139,394

#### Outcome

The program launched in June 2014 and will target 66 schools in the Campbelltown region.
